

GRADE 5 UNIT 1 *Narrative Craft*

Strategies for Generating Personal Narrative Writing

(Session 1) Try a strategy, List story ideas, Write one!

Think of a person who matters to you.

Think of first times, last times, or times you realized something.

(Session 2) Think about a place that matters.

Think of a strong feeling.

Notice small moments and capture them in entries.

(Session 3) Read another author's words to spark your own story ideas.
